

**CORRECTION TO
"ON COMPLEMENTARY AUTOMORPHIC FORMS AND
SUPPLEMENTARY FOURIER SERIES"**

BY

MARVIN ISADORE KNOPP AND JOSEPH LEHNER

In our paper appearing in this journal, vol. 6 (1962), pp. 98–106, the following changes should be made:

P. 104, formula (19) should read

$$\hat{a}_m = -\bar{a}_{-m-1}(\mu, -r, v).$$

P. 105, line 17 should read

$$a_{-\mu}(\mu, -r, v) = 1.$$

P. 105, formula (21) should read

$$\hat{a}_m = -\bar{a}_{-m}(\mu, -r, v), \quad m \geq 0.$$

P. 106, line 9, replace " $e((r-1)/2)F_\mu$ " by " F_μ ".
