

EDITORIAL MESSAGES

By Paul D. Humke and Clifford E. Weil

Richard G. Gibson. We regret to inform our readers of the death of Richard G. (Jerry) Gibson. Jerry was loved and admired by everyone who knew him and many people knew him due to his frequent appearances at conferences for those in real variables. We direct your attention to a tribute to Jerry at the website, <http://www.stolaf.edu/analysis/>

Thanks. The Managing Editors wish to thank Aaron Brakoniecki, and Chelsea Walton for their help as assistant managing editors for this issue. Both of these outstanding young people are sophomores at Michigan State University. We hope we will have their assistance in the future. We are also pleased to welcome to the ranks of Assistant Managing Editors Janine Dahl and Daniel Sikora.

Editorial Board. As announced in the previous issue, Professor Zoltán Buczolic has joined the Editorial Board as a Contributing Editor. We are pleased to welcome him and invite you to submit papers to him as appropriate.

MSU Press. If you are contemplating writing a textbook on a subject in mathematics, or a memoir, please consider using the Michigan State University Press as your publisher. The MSU Press is a non-profit organization affiliated with Michigan State University that offers superior service and much lower costs than commercial publishers, along with complimentary advertising in Real Analysis Exchange.

Website. We encourage you to visit our website and invite your feedback regarding the content. The address is:
