The Journal of Differential Geometry, published quarterly by Lehigh University in March, June, September and December, is devoted to the publication of research papers in differential geometry and related subjects such as differential equations, mathematical physics, algebraic geometry and geometric topology. It is the policy of the editorial board to publish papers within four to six months of acceptance.

The subscription price for Volumes 21–22 (1985) is \$180.00 list, \$45.00 for personal use of individuals; each volume consists of two numbers. Back number prices per volume (with a 25% reduction for members of the American Mathematical Society): Volumes 1–2 (1967–1968), \$21.00; Volumes 3–6 (1969–1972), \$27.00; Volumes 7–9 (1972–1974), \$36.00; Volume 10 (1975), \$45.00; Volume 11 (1976), \$52.00; Volume 12 (1977), \$60.00; Volumes 13–15 (1978–1980), \$63.00; Volume 16 (1981), \$72.00; Volume 17 (1982), \$78.00; Volumes 18–20 (1983–1984), \$120.00.

Subscriptions and orders should be addressed to the American Mathematical Society, P. O. Box 1571, Annex Station, Providence, Rhode Island 02901. *All orders must be accompanied by payment, and check should be made payable to the American Mathematical Society.* General correspondence and changes of address should be sent to the American Mathematical Society, P. O. Box 6248, Providence, Rhode Island 02940.

Instructions for submission of manuscripts are given inside of the back cover of this issue.
