We have published a paper titled “Influence of Removable Devices’ Heterouse on the Propagation of Malware” in this journal. Now, reference [13] (Z. Z. Peng, L. P. Song, G. H. Li, and Y. H. Li, “Modeling and analyzing the spread of Flash Disk worms via multiple subnets,” *International Journal of Computer Mathematics*. In press) in the references list of our published paper is not correct, and the paper no longer exists in the said journal.
