

NOTE

ACKNOWLEDGMENT OF PRIORITY TO “RANDOM VARIABLES WITH INDEPENDENT BINARY DIGITS”

BY GEORGE MARSAGLIA

McGill University

I have learned that many of the results in my paper [*Ann. Math. Statist.* **42** (1971) 1922–1929] are contained in earlier papers by Professor S. D. Chatterji [1], [2]. The approaches are different, so that readers may find both of interest.
