

CORRECTION NOTE

CORRECTION TO “ON TESTS OF EQUALITY OF TWO COVARIANCE MATRICES”

BY N. GIRI,

Indian Institute of Technology, Kanpur

With regard to this note which appeared in *Ann. Math. Statist.* **39** 275–277, it must be pointed out that the test based on $\text{tr } s_2(s_1 + s_2)^{-1}$ was suggested by K. C. S. Pillai (1955) *Ann. Math. Statist.* **26** 117–121. The result that it is locally best invariant is due to the author.
