

CORRECTION TO “MODULAR INVARIANT THEORY OF  
PARABOLIC SUBGROUPS OF  $GL_n(\mathbb{F}_q)$  AND THE  
ASSOCIATED STEENROD MODULES”

THOMAS HEWETT

I would like to point out a correction to my paper “Modular invariant theory of parabolic subgroups of  $GL_n(\mathbb{F}_q)$  and the associated Steenrod modules,” *Duke Mathematical Journal*, Volume 82, Number 1, 1996, pp. 91–102. Theorem 1.4 appeared as Theorem 2.2 in a paper of N. J. Kuhn and S. A. Mitchell, “The multiplicity of the Steinberg representation of  $GL_n(\mathbb{F}_q)$  in the symmetric algebra,” *Proceedings of the American Mathematical Society*, Volume 96, Number 1, 1986, pp. 1–6.
