

## ERRATA

Alfred Gray

In the paper, *A note on manifolds whose holonomy group is a subgroup of  $Sp(n) \cdot Sp(1)$* , Volume 16 (1969), 125-128, the following corrections should be made.

On page 125, the sentence in the seventh line of the proof of Proposition 1 should read as follows:

We rule out  $U(n)$ , because  $Sp(n)$  is a maximal subgroup of  $SU(n)$ .

On page 127, delete part (i) of Theorem 6.
