

***Correction to "On Locally Connected Continua
which are not Separated by Any Arc"***

(This journal Vol. 20 (1956) pp. 61-63)

Tadashi TANAKA

(Received September 30, 1959)

The following correction should be made in the proof of Theorem 2 in the title.

p. 63, line 29, read " $p_1p'_1$ an arc in R_1 joining p_1 and p'_1 which contains a subarc p_1p_3 of p_1p_2 " instead of " $p_1p'_1$ an arc in R_1 joining p_1 and p'_1 ".
