

# JOURNAL OF THE AMERICAN STATISTICAL ASSOCIATION

SEPTEMBER, 1948

## Articles

- Significance of Inventories in the Current Economic Situation . . . . . LOUIS J. PARADISO  
 Measuring Physical Inventories . . . . . WEIR M. BROWN  
 On the Determination of Sample Sizes in Designing Experiments  
 . . . . . MARILYN HARRIS, D. G. HORVITZ AND A. M. MOOD  
 Application of the Theory of Extreme Values in Fracture Problems  
 . . . . . BENJAMIN EPSTEIN  
 Statistics in Insurance  
 IV. Problems with Sampling Procedures for Reserve Valuations  
 . . . . . GEORGE C. CAMPBELL  
 V. Recent Developments in Graduation and Interpolation  
 . . . . . THOMAS N. E. GREVILLE  
 VI. Sampling Errors in Mortality and Other Statistics in Life Insurance  
 . . . . . DONALD D. CODY  
 The Edge-Marking Method of Analyzing Data . . . . . L. L. THURSTONE  
 The War Production Board's Statistical Reporting Experience, Parts II and III  
 . . . . . DAVID NOVICK and GEORGE A. STEINER  
 Statistical Methodology Index, No. 13 . . . . . OSCAR KRISEN BUROS

# ECONOMETRICA

*Journal of the Econometric Society*

**Contents of Vol. 16, No. 4, October, 1948, include:**

	Page
GERHARD TINTNER: Homogeneous Systems in Mathematical Economics . . . . .	273
MICHEL J. J. VERHULST: The Pure Theory of Production Applied to the French Gas Industry . . . . .	295
DAVID HAWKINS: Some Conditions of Macroeconomic Stability . . . . .	309
M. S. BARTLETT: A Note on the Statistical Estimation of Supply and Demand Relations from Time Series . . . . .	323
ANDRÉ NATAF and RENÉ ROY: Remarques et suggestions relatives aux nombres- indices . . . . .	330
EDWARD AMES: A Theoretical and Statistical Dilemma—The Contributions of Burns, Mitchell, and Frickey to Business-Cycle Theory . . . . .	347
J. N. BEHRMAN: The Short-Term Interest Rate and the Velocity of Circulation: Addendum . . . . .	370
List of Members of the Econometric Society . . . . .	377

Published Quarterly

Subscription to Nonmembers: \$9.00 per year

The Econometric Society is an international society for the advancement of economic theory in its relation to statistics and mathematics.

Subscriptions to *Econometrica* and inquiries about the work of the Society and the procedure in applying for membership should be addressed to Alfred Cowles, Secretary and Treasurer, The Econometric Society, The University of Chicago, Chicago 37, Illinois, U.S.A.
