

OFFICIAL COMMUNICATIONS

MEETINGS OF THE SOCIETY

ANNUAL MEETING: RICHMOND, VIRGINIA, December 27–28; WILLIAMSBURG, VIRGINIA, December 28–30, 1938.

Abstracts must be in the hands of Associate Secretary T. R. Hollcroft, 531 West 116th St., New York, N. Y. Abstracts received not later than November 1 appear in the November issue of the Bulletin. At this meeting, the following addresses will be given:

At Richmond: *Intuition, reason, and faith in science* by Dean G. D. Birkhoff, retiring President of the American Association for the Advancement of Science; *Seismology from a mathematical viewpoint* by Professor W. D. Cairns, retiring chairman of Section A and Vice President of the A.A.A.S., at a joint session of Section A, Section E, the Society, and the Mathematical Association; *Mathematicians, and poetry and drama*, by Professor R. C. Archibald, retiring Chairman of Section L and Vice President of the A.A.A.S., at a joint session of Section L, Section A, the Society, and the Mathematical Association.

At Williamsburg: *On certain abstract spaces* by Professor R. L. Moore, retiring President of the Society; *Fourier expansions of modular functions and theorems on partitions*, by Professor H. A. Rademacher, by invitation of the Program Committee; a brief address by the recipient of the Bôcher Prize on the subject of the paper for which the prize is to be awarded.

NEW YORK CITY, February 25, 1939.

Abstracts must be in the hands of Associate Secretary T. R. Hollcroft, 531 West 116th St., New York, N. Y., not later than January 27. Abstracts received on or before December 31 will appear in the January issue of the Bulletin. By invitation of the Program Committee, Professor R. P. Agnew will give an address entitled *Properties of generalized definitions of limit*.

DURHAM, NORTH CAROLINA, April 7–8, 1939.

Abstracts must be in the hands of Associate Secretary T. R. Hollcroft, 531 West 116th Street, New York, N. Y., not later than March 10. Abstracts received not later than February 15 will appear in the March issue of this Bulletin.

This meeting will be held in connection with Duke University's celebration of the centennial of its origins. By invitation of a committee acting for the Society and the University, three addresses are to be given: *Configurations defined by theta functions*, Professor A. B. Coble; *Invariants*, Professor Herman Weyl; *The ergodic theorem*, Professor Norbert Wiener.

CHICAGO, ILLINOIS, April 14–15, 1939.

Abstracts must be in the hands of Associate Secretary W. L. Ayres, University of Michigan, Ann Arbor, Michigan, not later than March 17. Abstracts received by February 15 will appear in the March issue of this Bulletin. By invitation of the Program Committee, Professor M. H. Ingraham will deliver the symposium address entitled *Matrix equations*.

R. G. D. RICHARDSON, *Secretary of the Society*

Articles for insertion in the BULLETIN should be typewritten, double spaced, and the author should keep a complete copy. Papers in analysis or in algebra should be sent to L. M. GRAVES, University of Chicago, Chicago, Ill.; in other fields to P. A. SMITH, Barnard College, Columbia University, New York, N. Y. Reviews should be sent to TOMLINSON FORT, Lehigh University, Bethlehem, Pa., and items for Notes to H. W. KUHN, Ohio State University, Columbus, Ohio. All other communications to the editors should be addressed to the Managing Editor, D. R. CURTISS, Northwestern University, Evanston, Ill.

The initial fees and the annual dues of members of the Society (see this BULLETIN, p. 322, May, 1930; and the List of Officers and Members, September, 1938, p. 75) are payable to the Treasurer of the Society, Professor B. P. Gill, Low Memorial Library, 531 West 116th St., New York, N. Y.
