

### THE JUNE MEETING IN PULLMAN

The six hundred thirteenth meeting of the American Mathematical Society was held on Saturday, June 20, 1964 at Washington State University in Pullman, Washington, in conjunction with meetings of the Pacific Northwest Section of the Mathematical Association of America and the Society for Industrial and Applied Mathematics. There were 123 registrants at this meeting, 72 of whom were members of the Society.

By invitation of the Committee to Select Hour Speakers for Far Western Sectional Meetings, an hour address was given by Professor H. G. Eggleston of the University of London and the University of Washington. Professor Eggleston spoke on *Convex sets of constant width*. Professor T. G. Ostrom introduced the invited speaker.

There were two sessions for contributed papers with Professors W. M. Myers, Jr., and C. T. Long presiding.
