The meeting opened Friday afternoon with a session devoted to short papers, followed by an address by Professor L. R. Ford of Armour Institute of Technology entitled *Projective transformations in two complex variables*. On Saturday morning Professor E. W. Chittenden of the University of Iowa delivered an address entitled *Topological functions*. These two addresses were given under the joint auspices of the Society and the University of Missouri. The meeting closed Saturday morning with a second session of short papers.

On Friday evening a dinner was held at the Tiger Hotel with seventy-nine persons attending. Professor W. D. A. Westfall presided at the dinner and Dean Henry Bent of the Graduate School of the University of Missouri welcomed the visitors on behalf of the host institution. Professor L. R. Ford gave reminiscences of student days at the University of Missouri. Professor W. L. Ayres spoke of the founding of a new mathematical journal, MATHEMATICAL REVIEWS.
