

EDITORIAL

CURTIS COOPER AND MAHMOUD YOUSEF

Our interim coordinating editor, Dr. Ted Mahavier, has finished one year of service to the Missouri Journal of Mathematical Sciences. We are very appreciative of the work Ted has done in our transition year. Ted has helped us solicit articles, communicate with our associate editors, and seek a permanent coordinating editor for the MJMS. We want to thank Dr. Ted Mahavier for helping the MJMS at this very critical time.

We are pleased to announce that Sam Creswell will assume the role of Coordinating Editor on a permanent basis. Sam has written several MJMS articles and knows the MJMS structure and philosophy very well. He will help us to expand the MJMS content and readership in the future. We look forward to his leadership of the MJMS.

We continue our online MJMS subscription. If you have not renewed or you are a new subscriber, we appreciate your support in filling out the online subscription form at:

<https://www.ucmo.edu/webapps/mjms/>

Your email address will be your userid. Your account will be password protected and will contain your contact information. In addition, you can subscribe/renew by credit card payment (Visa or Mastercard) or payment by check.

Finally, we are in need of good research articles for the MJMS. If you have any, please submit them to our Coordinating Editor or our Topic Editors.
