

Erratum

In the article entitled *Determinant Functors on Exact Categories and Their Extensions to Categories of Bounded Complexes* [Michigan Math. J. 50(2), pp. 407–444] by Finn F. Knudsen, the statement of Axiom SQ 3 (top of p. 409) should have been printed as follows:

SQ 3 If α' , α and α'' constitutes a morphism of short exact sequences and if any two of α' , α and α'' are in \mathcal{W} , then so is the third.

The editors regret the error.
