

Synthese

**An International Journal for Epistemology, Methodology
and Philosophy of Science**

Editor-in-Chief

JAAKKO HINTIKKA, *Dept. of Philosophy, Florida State
Univ., Tallahassee, U.S.A.*

Synthese publishes articles in all the fields covered by the subtitle. These include the theory of knowledge; the general methodological problems of science, such as the problems of scientific discovery and scientific inference, of induction and probability, of causation and of the role of mathematics, statistics and logic in science; the methodological and foundational problems of the different departmental sciences, in so far as they have philosophical interest; those aspects of symbolic logic and of the foundations of mathematics which are relevant to the philosophy and methodology of science; and those facets of the history and sociology of science which are important for contemporary topical pursuits. Special attention is paid to the role of mathematical, logical and linguistic methods in the general methodology of science and in the foundations of the different sciences, be they physical, biological, behavioural or social.
