Editorial Note

With this issue, we note the retirement of several distinguished members from the *NDJFL* Editorial Board. Leaving the board after many years of service are Peter Clote, Marcia Groszek, H. Jerome Keisler, Elliott Mendelson, Mark E. Nadel, V. Frederick Rickey, and Peter Schroeder-Heister. Among this group, some have served as past editors or as guest editors of special issues. We appreciate their service and dedication over the past many years as the *NDJFL* prospered under their leadership.

In addition to thanking and saying goodbye to the departing editors, we are pleased to welcome the following new editors to the Editorial Board: G. Aldo Antonelli, Jeremy Avigad, Ulrich Kohlenbach, Jan Krajicek, and Timothy Williamson. We look forward to a long and productive relationship with them.
