Journals. The scientific journals of the Institute are *The Annals of Statistics*, *The Annals of Probability*, *The Annals of Applied Probability*, and *Statistical Science*. The news organ of the Institute is *The Institute of Mathematical Statistics Bulletin*.

Individual and Organizational Memberships. All individual members receive *The IMS Bulletin* for basic membership dues of \$40. Each regular member must elect to receive at least one scientific journal for an additional amount, as follows: *Statistical Science* (\$10), *The Annals of Statistics* or *The Annals of Probability* (\$20), *The Annals of Statistics* and *The Annals of Probability* (\$30), or *The Annals of Applied Probability* (\$10). Of the total dues paid, \$24 is allocated to *The IMS Bulletin* and the remaining amount is allocated equally among the scientific journal(s) received. Reduced membership dues are available to full-time students, permanent residents of countries designated by the IMS Council, and retired members. Retired members may elect to receive the *Bulletin* only for \$16. *Organizational memberships* are available to nonprofit organizations at \$350 per year and to for-profit organizations at \$650 per year. Organizational memberships include two multiple-readership copies of all IMS journals in addition to other benefits specified for each category (details available from the IMS Business Office).

Individual and General Subscriptions. Subscriptions are available on a calendar-year basis. *Individual subscriptions* are for the personal use of the subscriber and must be in the name of, paid directly by, and mailed to an individual. Individual subscriptions for 1991 are available to *The Annals of Statistics* and *The Annals of Probability* (\$90), *The Annals of Statistics* or *The Annals of Probability* (\$60), *Statistical Science* (\$50), *The Annals of Applied Probability* (\$50), and *The IMS Bulletin* (\$30). *General subscriptions* are for libraries, institutions, and any multiple-readership use. General subscriptions for 1991 are available for *The Annals of Statistics* (\$110), *The Annals of Probability* and *The Annals of Applied Probability* (\$150), *Statistical Science* (\$60), *The Annals of Applied Probability* only (\$60), and *The IMS Bulletin* (\$40). Multi-item subscriptions are discounted by 10% for two items and 15% for three or more items. Air mail rates for delivery outside of North America are \$65 per title.

Permissions policy. Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by the Institute of Mathematical Statistics, provided that the base fee of \$7.50 per copy, plus \$.00 per page is paid directly to the Copyright Clearance Center, 27 Congress Street, Salem, Massachusetts 01970. For those organizations that have been granted a photocopy license by CCC, a separate system of payment has been arranged. The fee code for users of the Transactional Reporting Service is 0883-4237/91 \$7.50 + .00.

Correspondence. Mail to IMS should be sent to the IMS Business Office (membership, subscriptions, claims, copyright permissions, advertising, back issues), the Editor of the appropriate journal (submissions, editorial content) or the Production Editor, Patrick Kelly, Department of Statistics, University of Pennsylvania, Philadelphia, Pennsylvania 19104-6302.
