INSTITUTE OF MATHEMATICAL STATISTICS

General Office:

Department of Mathematics, Michigan State College,
East Lansing, Michigan
K. J. Arnold, Secretary-Treasurer

This address should be used for all communications concerning membership, subscriptions, changes of address, back numbers, etc., but *not* for editorial correspondence. Changes in mailing address which are to become effective for a given issue should be reported to the Secretary on or before the 15th of the month preceding the month of that issue.

Editorial Office:

Department of Mathematical Statistics, Columbia University,
New York 27, New York

Editorial correspondence should be directed to this address except that new manuscripts should be sent to the Editor-elect, E. L. Lehmann, Statistical Laboratory, University of California, Berkeley 4, California. A manuscript should be typewritten, double-spaced with wide margins, and the original copy should be submitted (preferably with one additional copy). Footnotes should be reduced to an absolute minimum. Figures should be professionally drawn twice the size they are to be printed. Authors are requested to keep in mind typographical difficulties of complicated mathematical formulae.

Authors will ordinarily receive only galley proofs. Fifty reprints without covers will be furnished free. Additional reprints and covers furnished at cost.

Subscription Price:

\$12 per year in the U. S. and Canada; \$10 elsewhere. Single issues \$3.50. Back numbers are available at \$12 per volume or \$3.50 per issue.
