THE OCTOBER MEETING IN PRINCETON

The five hundred forty-ninth meeting of the American Mathematical Society was held at Princeton University, Princeton, New Jersey, on Saturday, October 25, 1958. The registration was 256 including 232 members of the Society.

By invitation of the Committee to Select Hour Speakers for Eastern Sectional Meetings, Professor Arnold Shapiro of Brandeis University gave an address entitled *Imbedding a complex in a cell* at 2:00 P.M. The session was presided over by Professor Marston Morse.

At 10:30 A.M. and 3:15 P.M. there were sessions for contributed papers, presided over by Dr. E. H. Batho, Professor Leonard Gillman, Professor R. C. Gunning, Professor Meyer Jerison, and Professor V. L. Shapiro. Abstracts of the papers appeared in the October, November and December, 1958, issues of the *Notices* of the Society.

Those attending the meeting were guests of the Mathematics Department of Princeton University for tea and coffee at 4:00 P.M.

R. D. SCHAFER,
Associate Secretary
