Maurice Gilmore, *Complex Stiefel manifolds, some homotopy groups and vector fields*, pp. 630–633.

On page 633, bottom, replace “Northwestern University” by “Northeastern University.”

V. Mandrekar and M. Nadkarni. *Quasi-invariance of analytic measures on compact groups*. pp. 915–920.

Page 915: Regarding superscripts denoting footnotes:

“²” should appear on the first author’s name rather than on the title.

“³” should appear on the fifth line from the bottom of the page after “. . . Frank Forelli,”.

At the bottom of the page footnotes two and three should read:

² Presently at Math. Research Center, Madison, Wisconsin.

³ This paper appeared recently in *Acta Math.* **118** (1967), 33–59.
