Philosophical Studies

**An International Journal for Philosophy in the Analytic
Tradition**

Editor: Keith Lehrer, University of Arizona, U.S.A.

Editorial Assistant: Vincent Lazara, University of Arizona, U.S.A.

Board of Consulting Editors: David Braybrooke, Joseph L. Camp, Jr., L. J. Cohen, James Corn-
man, Alan Donagan, Keith Donnellan, Mary Hesse, Risto Hilpinen, R. M. Martin, Terence Parsons,
Günther Patzig, A. M. Quinton, Jerome Schneewind, Robert Sleight, Jr., Judith Thomson.

Philosophical Studies fills the urgent and growing need for space devoted to quick publication
of timely contributions to analytic philosophy. It emphasizes the rapid exchange of notes
and criticism. To provide balance and scope the editors will, on occasion, solicit contributions,
comments and elucidations from philosophers whose voices might not otherwise be
heard when the spotlight of discussion points in their direction.

Philosophical Studies welcomes papers in all areas of analytic philosophy. It recognizes
that there are divergent 'tendencies' within the analytic movement, and requires only
that contributions represent an application of methods of analysis and clarification of
meaning. Papers the content of which falls primarily within the scope of the natural, social or
psychological disciplines will be considered only if this content is subordinated to the
purposes of philosophical analysis.

**Subscription price per volume of six issues Dfl. 95.- / US \$38.00, plus Dfl. 20.- / US \$8.00
for postage and handling. Two volumes will be published yearly. Personal subscription price
on request.**
