# ANNUAL REPORT OF THE SECRETARY-TREASURER OF THE INSTITUTE

(For 1945)

Accounts of the Rutgers meeting of the Institute appeared in the September issue of the *Annals*. Notices of meetings of the Washington Chapter have been sent out from the office of the Secretary-Treasurer.

Due to a large extent to activity of the members, the Institute has enjoyed a large increase in memberhip during the year. The 606 members of a year ago have increased to 777. This is an increase of over 28%.

The Secretary-Treasurer wishes to acknowledge the continued assistance of Professor Lloyd Knowler in looking after the back issues of the *Annals* which are stored at Iowa City.

The following financial statement is drawn up along lines specified by the Finance Committee and the Board of Directors. It covers the period December 31, 1944 to December 31, 1945.

### E. Liabilities of Institute of Mathematical Statistics as of December 31, 1945

All bills which have been presented have been paid and there are no outstanding accounts against the Institute of appreciable size. The \$1215 in Life Membership payments require the Institute to provide the privileges of membership for life for the 17 members who have made payments. About \$2500 should be credited to 1946 dues and subscriptions.

PAUL S. DWYER Secretary-Treasurer.
