

**ACKNOWLEDGEMENT OF PRIORITY TO  
“A CHARACTERIZATION OF THE VON MISES DISTRIBUTION”**

BY LOUIS GORDON AND MALCOLM HUDSON  
*Department of Energy and Macquarie University*

We are grateful to Professor D. G. Kendall for drawing to the authors' attention the precedence of Professor G. E. H. Reuter (unpublished work) in establishing the result of our note [*Ann. Statist.* (1977) 5 813–814]. The result appeared in the discussion on page 416 of Professor Kendall's paper [*J. Roy. Statist. Soc. Ser. B* (1974) 36 365–402] although in our references this paper was incorrectly attributed to M. G. Kendall.
