

REAL ANALYSIS
SYMPOSIUM

August 16-18, 1979

MILWAUKEE

THE UNIVERSITY OF WISCONSIN-MILWAUKEE WILL PRESENT
A SERIES OF FIVE LECTURES

by

Andrew M. Bruckner

U.C.S.B.

on

Current Trends In Differentiation Theory

Sessions of contributed papers will be held as well. It is expected that there will be ample time allocated to leisurely discussion.

A \$7.00 registration fee will be collected to defray the cost of a beer party, refreshments, etc.

Information about housing and the availability of some limited support can be obtained from R.J. O'Malley or C.M. Lee, Department of Mathematics, UWM, Milwaukee, Wisconsin 53201.

Sponsored by the College of Letters and Sciences and the Graduate School of the University of Wisconsin-Milwaukee.
