### Notice to Contributors

1. Any author interested in writing a Topical Survey article should contact one of the Managing Editors for information concerning format and length.
2. Research articles as well as Inroads should be typed in camera-ready form. They should have one inch margins on the top and bottom and one and one-half inch margins on both sides for binding purposes. Contributors should take note of the heading for Inroads and Research articles. The deadline for acceptance of these articles is November 1 for the Winter edition of the Exchange. The deadline for the Spring Exchange is April 1.
3. Queries should be typed and any appropriate bibliographical or historical information should be included. Solutions to previous Queries should have the same margins as the Inroads articles and should also be in camera-ready form. Lengthy Query solutions will be published within the Inroads section of the Exchange. The deadline for Queries to be published in the Winter Exchange is November 15 and the deadline for the Spring Exchange is April 1.

All correspondence with the Exchange should be sent to the following address.
