

CONFERENCE ANNOUNCEMENTS

listed below are several upcoming conferences which might be of interest to our readers.

1. The Twelfth Summer Symposium in Real Analysis will be held at the University of Ulster, Coleraine, Northern Ireland, August 9 - 12, 1988 as a tribute to Professor Ralph Henstock and his many significant contributions to the theory of nonabsolutely continuous integrals. The principal speakers will be P. S. Bullen, G. Cross, R. Henstock, J. Kurzweil, P. Y. Lee, J. L. Mawhin, W. F. Pfeffer, and C. A. Rogers. Registration forms can be obtained by writing to Professor P. Muldowney, Magee College, University of Ulster, Londonderry, Northern Ireland BT48 7JL or from the Managing Editors of the Real Analysis Exchange, Mathematics Department, Michigan State University, East Lansing, MI 48824-1027, USA. The closing date for registration is July 15, 1988.
2. As part of the meetings of the American Mathematical Society to be held in Lawrence, Kansas, October 28 - 30, 1988 Professor James Foran will chair a special session on real analysis. To obtain further information please write to Professor James Foran, Department of Mathematics, University of Missouri-Kansas City, Kansas City, MO 64110-2499, USA.
3. The 1989 Summer Symposium in Real Analysis will be held at the home office of the Real Analysis Exchange, Michigan State University, East Lansing, USA. A detailed announcement will appear in the Conference Announcements section of Volume 14, Number 1 of the Real Analysis Exchange.
4. Your Managing Editor has heard from two sources that it is highly probable that a semester on Real Analysis will be organized at the Banach Centre in Warsaw, Poland between September 18 and November 11, 1989. We will publish additional information as we get it from the organizers.
