2. Seeking a New Home In the Editorial Message of the previous issue of the REAL ANALYSIS EXCHANGE it was announced that we are seeking a permanent home for the journal. Readers who didn't see that announcement are urged to look it up and read it.

3. New Look Editorial Board member Lee Larson has been busy writing a special L^AT_EX style file for contributors to the REAL ANALYSIS EXCHANGE. Authors are encouraged to get it and use it for preparing manuscripts for the REAL ANALYSIS EXCHANGE. Consult the inside back cover where the information really can be found in this issue.
