

EDITORIAL MESSAGES

By Paul D. Humke and Clifford E. Weil

Special thanks go to Professor Mark Johnson of the Mathematics Department at Central College in Pella, Iowa for his proofreading and editing and to Jana Chlebig, Department of Computer Science at Comenius University, Bratislava for her assistance in typesetting.

In addition we wish to express our thanks to Ben Grommes and Karen Lindemann, undergraduate students at St. Olaf College, for their conscientious assistance with the production of this issue.

The Special Subscribers Fund was set up several years ago to underwrite subscriptions for individuals and institutions not having the financial resources to pay for a subscription. If you would like to contribute to this fund or would like additional information about it, please feel free to contact one of us.

As a final note, we'd like to draw your attention to the *Real Analysis Exchange World Wide Web Page*. It contains a good deal of information about conferences, workshops and schools in real analysis as well as information about the journal. Our URL is
