Corrections to the paper "On Loop Extensions of Groups and M-cohomology Groups"

The following corrections should be made:

p. 154, line 5.   In (6), replace "T'_α" by "aT'_α".

p. 156, line 8.   Replace "$\sum_{i=1}^{n}$" by "$\sum_{i=2}^{n}$".

p. 158, foot note (3).   Replace the foot note (3) by the following: "In the above table, when a product which appears as an argument of a term contains α_{n+2}, it becomes $\alpha_i \cdots \alpha_{n+2}$ or $\alpha_i \cdots \alpha_j \cdots \alpha_{n+2}$ $(i < j < n+2)$".

p. 164, line 26.   In the proposition 5, replace "$\cong$" by "$=$".

p. 165, line 1.   Replace "$Z^3(\Gamma, C)$" by "$B^3(\Gamma, C)$"; line 13, replace "R. Bear" by "R. Baer".
