

*Corrections to the paper “Non-degenerate
Divisors on an Algebraic Surface”*

(This Journal, Vol. 24, No. 1, pp. 1-6)

The following corrections should be made.

P. 4, line 8. Insert “*such that $(X^2) > 0$* ” after “*(p)-divisor*”.

P. 5, line 9. Insert “*such that C does not contain any base point of N* ” after “*curves of F* ”.

P. 6, line 19. Insert “*such that $(X^2) > 0$* ” after “*on F* ”; line 19, read “Theorem 6” instead of “Theorem 9”.
