## INSTITUTE OF MATHEMATICAL STATISTICS

- General Office:** Business Administration Building, University of Michigan, Ann Arbor, Michigan  
C. H. Fischer, Secretary-Treasurer  
This address should be used for all communications concerning membership, subscriptions, changes of address, back numbers, etc., but *not* for editorial correspondence. Changes in mailing address which are to become effective for a given issue should be reported to the Secretary on or before the 15th of the month preceding the month of that issue.
- Editorial Office:** Department of Mathematical Statistics, Columbia University, New York 27, New York  
T. W. Anderson, Editor  
Manuscripts should be submitted to this address; each manuscript should be typewritten, double-spaced with wide margins, and the original copy should be submitted (preferably with one additional copy). Footnotes should be reduced to a minimum and whenever possible replaced by a bibliography at the end of the paper; formulae in footnotes should be avoided. Figures, charts, and diagrams should be professionally drawn on plain white paper or tracing cloth in black India ink twice the size they are to be printed. Authors are requested to keep in mind typographical difficulties of complicated mathematical formulae. Authors will ordinarily receive only galley proofs. Fifty reprints without covers will be furnished free. Additional reprints and covers furnished at cost.
- Subscription Price:** 1951: \$10 per year in Western Hemisphere; \$5 elsewhere; single issues \$3; back numbers \$10 per volume, \$3 per issue.  
1952: \$12 per year in U. S. and Canada; \$10 elsewhere.
