

Volume 8, Afrika Statistika

November 2013

Article 1 :

On Generalized Type 1 Logistic Distribution, Mohammad Ahsanullah,
pp 491-497.

<http://dx.doi.org/10.4314/afst.v8i1.1>

Article 2:

Comparison of the maximum likelihood and bayes estimators for symmetric bivariate exponential distribution under different loss functions, Assia Chadli, Hamida Talhi and Hocine Fellag,
pp. 499-514.

<http://dx.doi.org/10.4314/afst.v8i1.2>

Article 3 :

Comportement de la fonction d'autocorrélation des modèles à changement de régime : Une Approche Empirique, Souleymane Fofana and Abdou Kâ Diongue,
pp. 515-544.

<http://dx.doi.org/10.4314/afst.v8i1.3>

Article 4 :

The price of portfolio selection under tail conditional expectation with consumption cost and transaction cost, Bright Okore Osu, Silas Abahia Ihedioha and Enyinnaya Ekuma-Okereke,
pp. 545-559.

<http://dx.doi.org/10.4314/afst.v8i1.4>

Article 5 :

Quadratic loss estimation of a location parameter when a subset of its components is unknown, Idir Ouassou and Mustapha Rachdi,
pp. 561-575.

<http://dx.doi.org/10.4314/afst.v8i1.5>

Article 6 :

A note on a new exponential bound for M-acceptable random variables, Cheikhna Hamallah Ndiaye and Gane Samb LO,
pp. 577-581.

<http://dx.doi.org/10.4314/afst.v8i1.6>

Article 7 :

Décomposition d'une loi de poisson pondérée en une combinaison convexe de lois duales, Dominique Mizere, Gélin Chedly Louzayadio, Rufin Bidounga and Gabriel Kissita,
pp. 583-594.

<http://dx.doi.org/10.4314/afst.v8i1.7>

Article 8 :

Proposition d'analyses de co-inertie entre deux multi-tableaux verticaux: les méthodes ACIs et ACIOs, Léonard Niere, Gabriel Kissita and Dominique Mizere,
pp. 595-614.

<http://dx.doi.org/10.4314/afst.v8i1.8>
