

Volume 9 (1), 2014 Afrika statistika

Article N°1

K. Es-Sebaiy and D. Ndiaye, Afrika Statistika, Vol. 9, 2014, pages 615--625. On drift estimation for non-ergodic fractional Ornstein-Uhlenbeck process with discrete observations.

Received 26/05/2014; Accepted 16/10/2014

DOI: <http://dx.doi.org/1016929.as.2014.615.517>

Article N°2

K. Bahlali, M. Mezerdi and B. Mezerdi, Afrika Statistika, Vol. 9, 2014, pages 627--645. Existence of optimal controls for systems governed by mean-field stochastic differential equations.

Received 24/07/2014; Accepted 16/10/2014

DOI: <http://dx.doi.org/1016929.as.2014.627.58>

Article N°3

H. Fellag, L. Atil and C. Belkacem, Afrika Statistika, Vol. 9, 2014, pages 647--658. On the stability of estimation of AR(1) coefficient in the presence of contaminated exponential innovations.

Received 25/05/2014; Accepted 25/09/2014

DOI: <http://dx.doi.org/1016929.as.2014.647.59>

Article N°4

T. A. Kpanzou, Afrika Statistika, Vol. 9, 2014, pages 659--670. Asymptotic distribution of the quintile share ratio estimator.

Received 29/08/2014; Accepted 16/10/2014

DOI: <http://dx.doi.org/1016929.as.2014.659.60>

Article N°5

A. Sayah, D. Yahia and B. Brahimi, Afrika Statistika, Vol. 9, 2014, pages 671--683. On robust tail index estimation under random censorship.

Received 07/09/2014; Accepted 13/10/2014

DOI: <http://dx.doi.org/1016929.as.2014.671.61>

Article N°6

A. Slama, Afrika Statistika, Vol. 9, 2014, pages 685--694. A Bayesian significance test of change in the presence of a single outlier.

Received 26/05/2014; Accepted 16/10/2014

DOI: <http://dx.doi.org/1016929.as.2014.685.62>

Article N°7

Y. Ciss, G. Dia, A. Diakhaby, Afrika Statistika, Vol. 9, 2014, pages 695-725. Bidimensional non-parametric estimation of well-being distribution and poverty index

Received 10/09/2014; Accepted 22/11/2014

DOI: <http://dx.doi.org/1016929.as.2014.695.63>
