

THE FEBRUARY MEETING IN NEW YORK

The six hundred and forty-third meeting of the American Mathematical Society was held at the City College of the City University of New York in New York, N. Y. on Saturday, February 25, 1967. About 76 persons attended, including 69 members of the Society.

By invitation of the Committee to Select Hour Speakers for Eastern Sectional Meetings, Professor Monroe D. Donsker of New York University addressed the Society on *Asymptotic evaluation of function space integrals*. He was introduced by Professor Mark Kac.

There were four sessions for twenty-four contributed papers, chaired by Professors Michael A. Aissen, Alex Heller, Israel H. Rose and Abraham Schwartz.
