Editorial policy:

BERNOULLI will publish:

Papers containing original and significant research contributions with background, derivation and discussion of the results in suitable detail and, where appropriate, with discussion of interesting data sets in relation to the methodology proposed.

Papers of the following types will also be considered for publication, provided they are judged to enhance the dissemination of research: Review papers which provide an integrated critical survey of some area of probability and statistics and discuss important recent developments; Scholarly written papers on some historically significant aspect of statistics and probability. In special cases papers may be published with discussion.

Past Editor-in-Chief: Ole E. Barndorff-Nielsen (1995–2000)
Past Managing Co-Editor: Jens L. Jensen (1995–2000)
