EXPERIMENTAL MATHEMATICS

EXPERIMENTAL MATHEMATICS is a journal devoted to experimental aspects of mathematics research. It publishes formal results inspired by experimentation, conjectures suggested by experiments, descriptions of algorithms and software for mathematical exploration, surveys of areas of mathematics from the experimental point of view, and general articles of interest to the community.

Chief Editor

David B.A. Epstein, University of Warwick, dbae@maths.warwick.ac.uk

Editor

Silvio Levy, Mathematical Sciences Research Institute, levy@msri.org

Associate Editors

Marcel Berger, Institut des Hautes Études Scientifiques, berger@ihes.fr

Jonathan Borwein, Simon Fraser University, jborwein@cecm.sfu.ca

Ronald L. Graham, University of California, San Diego, graham@ucsd.edu

John Guckenheimer, Cornell University, gucken@cam.cornell.edu

Derek Holt, University of Warwick, dfh@maths.warwick.ac.uk

Sadayoshi Kojima, Tokyo Institute of Technology, sadayosi@is.titech.ac.jp

Robert Kusner, University of Massachusetts, Amherst, kusner@math.umass.edu

Rafael de la Llave, University of Texas, Austin, llave@math.utexas.edu

Walter Neumann, Barnard College, Columbia University, neumann@math.columbia.edu

Wilhelm Plesken, Rhein.-Westf. Technische Hochschule Aachen, plesken@willi.math.rwth-aachen.de

Michael Pohst, Technische Universität Berlin, pohst@math.tu-berlin.de

Peter C. Sarnak, Princeton University, sarnak@math.princeton.edu

Bernd Sturmfels, University of California, Berkeley, bernd@math.berkeley.edu

Tan Lei, Université de Cergy-Pontoise, tanlei@math.u-cergy.fr

Jean Taylor, Rutgers University, taylor@math.rutgers.edu

Roderick Wong, City University of Hong Kong, mawong@cityu.edu.hk

Advisory Board

Hendrik W. Lenstra, Jr., University of California, Berkeley, hwl@math.berkeley.edu

Albert Marden, University of Minnesota, Minneapolis, am@math.umn.edu

David Mumford, Brown University, david_mumford@brown.edu

Jean-Pierre Serre, Collège de France, Paris, serre@dmi.ens.fr

William P. Thurston, University of California, Davis, wpt@math.ucdavis.edu

Copyright: All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article as well as all translation rights. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic databases, video disks, etc., without written permission from the publisher. The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the author, the editor, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special regulations for photocopies in the US: Photocopies may be made for personal or in-house use beyond the limitations stipulated under Section 107 or 108 of US-Copyright Law, provided a fee is paid. This fee is US \$0.50 per page. All fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 1058-6458, the volume, and the first and last page numbers of each article copied. The copyright owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, specific written permission must first be obtained from the publisher.

Subscription information: Experimental Mathematics is published quarterly. Each volume contains four issues.

Annual subscription rates: Institutional rate: US \$250 plus postage and handling. Individual rate: US \$100 plus postage and handling.

Rate for individual AMS, SIAM, and MAA members: US \$65 plus postage and handling.

Postage and handling: USA and Canada \$7.50. Other countries (airmail) \$20.00.

Orders can be placed with any subscription agency or directly with A K Peters, 63 South Avenue, Natick, MA 01760

Phone: 508-655-9933 **FAX:** 508-655-5847 **E-mail:** service@akpeters.com (subscriptions), expmath@expmath.org (editorial inquiries)
