This journal will appear three times yearly and publish papers in pure and applied mathematics.

Preparation of Manuscripts

1. Manuscripts should be submitted in English, and should be typewritten, using double or triple line-spacing, with generous margins.
2. All illustrations should be drawn on white paper, using Indian ink, and should be drawn to about twice the required size. Any lettering should be large and bold enough to be legible after the diagram has been reduced for printing.
3. Manuscripts (two copies) should be sent to the Editors,

Kodai Mathematical Journal,
Department of Mathematics,
Tokyo Institute of Technology,
