GUIDE TO AUTHORS

The *Journal* encourages submission of articles in all areas of philosophical and mathematical logic; the philosophy, foundations, and history of logic and mathematics; and semantics for natural language. Manuscripts (including notes and references) should be typed on one side of the page only, double-spaced with wide margins. The editors request that the author's name and institutional affiliation be kept on a separate cover sheet. Handwritten symbols, ambiguous symbols (l vs 1, o vs O and 0), and non-Roman characters should be identified in the margin. Two copies should be sent to *Editors, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.* We regret that manuscripts cannot be returned unless postage is included.

Page proofs are sent to authors for correction of errors that occur in composition. Any special composition costs arising from an author's revision of the text in proof will be charged to the author. Fifty reprints, without covers, will be supplied free of charge; covers or additional reprints may be purchased.

The *Notre Dame Journal of Formal Logic* is published quarterly by the University of Notre Dame in January, April, July, and October. Yearly subscriptions are \$40.00 for institutions and \$20.00 for individuals. Back volumes are \$20.00 each for Volumes 1–10 and \$35.00 each for Volumes 11–26. Orders (accompanied by payment) and changes of address should be sent to *Michele Daugherty, Business Manager, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*
