CALL FOR PAPERS

ARGUMENTATION

An International Journal on Reasoning

First Issue: Spring 1987

D. Reidel Publishing Company are pleased to announce that in the Spring of 1987 they will commence publication of *Argumentation*, an International Journal on Reasoning.

Scope. Argumentation has seen a major revival in the twentieth century, in the United States as well as in Europe, under the influence of the philosophy and linguistic analysis of everyday reasoning. Interest in rhetoric has now extended beyond the traditional boundaries set by the classics.

Argumentation is a new international journal. Its aim is to gather contributions from all schools of thought – ranging from literary rhetoric to linguistics, from history to logic, from theological arguments to legal reasoning, from natural inference to the argumentative structures of science.

This journal is of special concern to specialists in speech and communication, philosophers, literary critics, and linguists, as well as all those interested in natural and artificial intelligence.

The Editors are Jean-Blaise Grize (Neuchâtel, Editor-in-Chief), Michel Meyer (Brussels), Frans van Eemeren (Amsterdam). Managing Editors: Christian Plantin (Brussels), Rob Grootendorst (Amsterdam). Editorial Board: Jean-Claude Anscombe (Paris), Marie-Jeanne Borel (Lausanne), Marc Dominicy (Brussels).

Manuscripts for publication (the original + two copies) should be sent to Dr Michel Meyer, European Centre for the Study of Argumentation (CEEA), Université Libre de Bruxelles, Institut de Philosophie, 143 avenue A. Buyl, C. P. 188, 1050 Brussels, Belgium. The author should retain an additional copy of the manuscript for reference. Unless a specific request is made, copies will not be returned.

The principal language of the journal is English, but papers in French are also accepted.

Enquiries concerning Information for Authors, sample copies, and subscriptions should be addressed in the first instance to: The Journals Department, D. Reidel Publishing Company, P.O. Box 17, 3300 AA Dordrecht, Holland. (Telephone: (31)78-334208. Telex: 29245 reid nl.)

GUIDE TO AUTHORS

The *Journal* encourages submission of articles in all areas of philosophical and mathematical logic; the philosophy, foundations, and history of logic and mathematics; and semantics for natural language.

Manuscripts (including notes and references) should be typed on one side of the page only, double-spaced with wide margins. Since manuscripts are refereed anonymously, we ask that the author's name and institutional affiliation be kept on a separate cover sheet. Handwritten symbols, uppercase vs lowercase letters, ambiguous symbols (l vs 1, o vs O and 0), and non-Roman characters should be identified in the margin. Notes should be indicated in the text by a superscript number and grouped at the end of the manuscript text, preceding the references. References should be listed alphabetically by the first author's last name. References should include the article title, unabbreviated Journal name, volume number, year, and page numbers. References to books should include the publisher, city, and year of publication. Three copies should be sent to *Editors, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*

Page proofs are sent to authors for correction of errors that occur in composition. Any special composition costs arising from an author's revision of the text in proof will be charged to the author. Fifty reprints, without covers, will be supplied free of charge; covers or additional reprints may be purchased.

The *Notre Dame Journal of Formal Logic* is published quarterly by the University of Notre Dame in January, April, July, and October. Yearly subscriptions are \$40.00 for institutions and \$20.00 for individuals. Back volumes are \$20.00 each for Volumes 1-10 and \$35.00 each for Volumes 11-26. Orders (accompanied by payment in U.S. funds only) and changes of address should be sent to *Michele Daugherty, Business Manager, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*
