## GUIDE TO AUTHORS

The *Journal* encourages submission of articles in all areas of philosophical and mathematical logic; philosophy of language and formal semantics for natural languages; and the philosophy, history, and foundations of logic and mathematics.

Manuscripts (including notes and references) should be typed on one side of the page only, double-spaced with wide margins. Since manuscripts are refereed anonymously, we ask that the author's name and institutional affiliation be kept on a separate cover sheet. Handwritten symbols, uppercase vs lowercase letters, ambiguous symbols (l vs 1, o vs O and 0, etc.), type style changes, and non-Roman characters should be identified in the margin. "Notes" that are merely page indications should be placed in the body of the text (e.g., [5], p. 29), non-trivial notes being cited in the text by a superscript number and grouped after the manuscript text, but preceding the references. References should be numbered and alphabetized by the author's last name and then, for multiple works by the same author, by date. References should include the article title, unabbreviated journal name, volume number, year, and page numbers. Book references should include the publisher, city, and year of publication. For examples, see recent issues. Three clean copies should be sent to *Editors, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*

Page proofs are sent to authors for correction of errors that occur in composition. Any special composition costs arising from an author's revision of the text in proof may be charged to the author. Fifty reprints, without covers, will be supplied free of charge; covers or additional reprints may be purchased.

The *Notre Dame Journal of Formal Logic* is published quarterly by the University of Notre Dame in the Winter, Spring, Summer, and Fall of each year. Orders (accompanied by payment in U.S. funds only) and changes of address should be sent to *Jan Houseman, Business Manager, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*
