*Editor-in-chief: BERNARD MELTZER, Edinburgh
Associate Editor: BERTRAM RAPHAEL, Stanford*

The journal offers a medium of publication for
high-quality papers dealing with the theory and practice
of computer programs and other artifacts that manifest
intelligent behaviour. Papers in the field are at present
spread over a wide variety of publications in
computer science, mathematics, linguistics, logic,
psychology, and other disciplines, as well as internal
reports of various institutions.
