NOTES

The Proceedings of the Japan Academy, Series A, publishes the original papers in Mathematical Sciences communicated by the Members of the Japan Academy at its General Meetings held every month except in July and August. The paper should be submitted in duplicate in clearly typewritten manuscript or computer prepared compuscript in English, French or German. The submitted manuscript or compuscript will not be returned. The length of each paper, which may be résumé of a full paper to be published elsewhere, is limited to 6 printed pages. The author (or the group of authors) of each article will receive 50 reprints free of charge.

Editorial correspondences should be addressed to:
Managing Editor, The Japan Academy, 7–32 Ueno Park, Taito-ku, Tokyo 110, Japan
