

CONTRIBUTIONS

Real Analysis Exchange offers several ways for you to express your support for various aspects of our organization.

1. **General Operations Fund.** The funds that come in from subscription fees do not cover the cost of publishing the journal, *Real Analysis Exchange*. Additional support comes from Michigan State University in return for several publications that we get in exchange for our journal. By contributing to this fund you will help us meet our operating expenses.
2. **Special Subscribers Fund.** This fund helps pay subscriptions costs for approximately 40 subscribers for whom the cost is prohibitive. In spite of the generous contributions made by many of our individual subscribers, the fund doesn't cover the full cost of these subscriptions. By contributing to this fund, you will help us help others.
3. **Vasile Ene Memorial Fund.** *Real Analysis Exchange* established this endowment fund with a contribution of \$1,000.00. Revenue will be used to pay the living expenses of young Romanian mathematicians attending the annual summer symposia sponsored by *Real Analysis Exchange*. The fund honors the memory of Vasile Ene, who died November 11, 1998. Reading any of the past issues of *Real Analysis Exchange* will illustrate the breadth of Vasile's contributions to real variables. A gift to this fund would be a fitting tribute to his many contributions.
4. **Summer Symposium Fund.** This fund will serve as seed money for the purpose of attracting outside funding for our annual summer symposium. Funding agencies look more favorably on grant proposals that have some funds available and seek additional support.

Contributions, which can be made by check or by credit card, are tax deductible for U.S. taxpayers. To contribute by check, make your check payable to MSU Press. To contribute by credit card indicate VISA or MasterCard, the account number, the expiration date, the amount to be charged, and supply your signature. Send the information to:

Michigan State University Press
