

# EDITORIAL MESSAGES

By Paul D. Humke

**Assistant Editors.** Welcome to our two new Assistant Editors, Emily Olson and Thong Vo. They will be corresponding with Contributing Editors and authors, editing and preparing manuscripts for publication. Welcome Aboard!

**JSTOR Access.** Access to most of the back issues of the *Exchange* is now available on JSTOR. Access to the oldest volumes will take a bit longer as we await scanning and editing.

**Author Class File.** Our raex.cls L<sup>A</sup>T<sub>E</sub>X classfile is used with every paper published in the *Exchange*. This classfile utilizes a format for entering author, title, and other information that is particularly convenient for extracting that information for the various databases that list the *Exchange*. An author version of the raex.cls classfile is available at our website: [www.stolaf.edu/analysis](http://www.stolaf.edu/analysis).

**Advertisements.** Please note the advertisements at the end of each issue. These promote real analysis or other Michigan State University Press publications and therefore help support the production of our journal. If you have written a book, or have an item of interest you wish to publicize in the Journal, please contact the Michigan State University Press Journals Division.

**Michigan State University Press.** If you are contemplating writing a textbook on a subject in mathematics, or a memoir, please consider using the Michigan State University Press as your publisher. The Press is a non-profit organization affiliated with Michigan State University that offers superior service and much lower costs than commercial publishers, along with complimentary advertising in *Real Analysis Exchange*.
