| J. Tomiyama : Generalized dimension function for W^* -algebras of infinite type..... | 121 |
| I. Satô : On Riemannian manifolds of separated curvature | 130 |
| M. Hasumi : The extension property of complex Banach spaces | 135 |
| H. Wada : Note on some mapping spaces | 143 |
| S. Tsurumi : On the ergodic theorems concerning Markov processes .. | 146 |
| T. Saitô : On incomplete infinite direct product of W^* -algebras | 165 |
| K. Takahashi : Über eine erweiterte asymptotische Dar- stellung der Lösung eines Systems von linearen homogenen Differential-gleichungen, welche von zwei Parametern abhängen | 172 |
| M. Takesaki : On the conjugate space of operator algebra | 194 |
| J. Tomiyama : On the projection of norm one in W^* -algebras II | 204 |
