

Instructions for Authors

1. Manuscripts should be produced by using typewriters or word-processors in double-spacing on one side of A4 size (210 × 297 mm) good quality white paper, with wide margins.
2. Manuscripts may be submitted in duplicate to the Managing Editor or one of the Editors whose work, in the opinion of the author, is most closely related to the topic of the paper. Manuscripts will not be returned to the author in principle. A separate sheet containing the title of the paper, the mailing address of the author, and the running title (condensed title) should be attached.
3. Manuscripts should be written in English, and should contain (i) title, (ii) name(s) of the author(s), (iii) abstract; 1991 Mathematics Subject Classification Numbers (see the 1990 or later MR Annual Subject Index); key words and phrases, (iv) body of the paper, (v) references, and (vi) affiliations and addresses, in this order. For symbols and style conventions, authors should consult current issues of the Journal.
