| THOMAS M. LIGGETT, 1985–1987   | THOMAS G. KURTZ, 2000–2002   |

---

## EDITORIAL POLICY

The main purpose of *The Annals of Applied Probability*, *The Annals of Probability* and *The Annals of Statistics* is to publish contributions to the theory of probability and statistics and to their applications. The emphasis is on importance and interest; formal novelty and mathematical correctness alone are not sufficient. Also appropriate are authoritative expository papers and surveys of areas in vigorous development. All papers are refereed.

---

## NOTICE

Manuscripts submitted for publication in *The Annals of Probability* should be sent to the Editor at the following address:

Steve Lalley  
*The Annals of Probability*  
Department of Statistics  
University of Chicago  
5734 University Avenue  
Chicago, IL 60637

Electronic submissions in .pdf format should be sent to: [annals@galton.uchicago.edu](mailto:annals@galton.uchicago.edu)
