

Preface to the Present Volume

We present here the proceedings of a symposium on group representations and systems of differential equations which was held at University of Tokyo from December 20, 1982 until December 27, 1982, has been financially supported by the Ministry of Education. There were 24 invited speakers and about 150 other participants. The editors and the members of the Program Committee thank them for their participation and encouragement.

The editors also wish to express their gratitude to the referees of the articles submitted for their kind cooperation.
