## MSJ Memoirs

This monograph series is intended to publish lecture notes, graduate textbooks and long research papers\* in pure and applied mathematics. Each volume should be an integrated monograph. Proceedings of conferences or collections of independent papers are not accepted.

Articles for the series can be submitted to one of the editors in the form of hard copy. When the article is accepted, the author(s) is (are) requested to send a camera-ready manuscript.

\* limited to contributions by MSJ members

## Editorial Board
